

MYRIAMSOS

MyriamSOS Transformers collection is something of a marvel in the jewellery world. In particular, the limited-edition Falcon, £5,400, which transforms from a ring to a pendant is to be admired. Made from 18ct rose gold and set with 650 aquamarines, sapphires, amethysts and diamonds, it is a show-stopper piece everyone will be talking about.

# SHINING TSAR

Lively up your winter wardrobe with some dazzling pieces inspired by the colder climes of Russia.

By Sophia Charalambous

GUY & MAX

Fusing the natural world with modern design is this stunning Digital Nature bangle, £15,000, from Guy & Max. The honeycomb-like structure is made of 18ct rose gold and includes multi-coloured sapphires to elevate this classic design to the height of luxury.

*8-10 Shepherd Street*

BALMAIN

Straight from the AW15 Balmain catwalk is the luxurious Finn raccoon fur jacket, £6,900. Made from a combination of black and jade green dyed fur, the contrasting colours are in keeping with this season's colour trends while it will undoubtedly keep you snug throughout the winter evenings.

*69 South Audley Street*

SOPHIA  
WEBSTER

There is no other AW15 party shoe more fitting than Sophia Webster's Skye sandals, £550. Inspired by the circus, and it's easy to see why, the strappy heel is made of a red, blue and green metallic leopard print with a black rabbit fur front strap. Striking and sassy, they will even keep your feet that little bit warmer too.

*Browns Fashion, 24-27 South Molton Street*
