

MyriamSOS in a tale that seduces and inspires - Drama Magazine UK

Drama magazine is a unique publication that combines the worlds of Fashion and Performance. Taking inspiration from Art, Film, Music and Theatre, the aim is to feature talents including Actors, Dancers, Musicians and Performers and to show them in a modern yet timeless way. The end result is a beautifully printed and bound magazine with a refinement and sensibility not often seen.

Drama Magazine has featured many talents including Douglas Booth, Paloma Faith, Rufus Wainwright, Jamie Dornan, Roisin Murphy, The Royal Ballet, Sally Hawkins, Alexandra Roach, Ben Barnes, Tom Felton, Harry Lloyd, Eddie Redmayne and many, many more.

Like in any good play, Drama is split into acts. MyriamSOS Fine Jewellery is featured in a beautiful series of images in Act III of the magazine, the section that tells indulgent tales to seduce and inspire..

So please take a seat, it's time to lift the curtain and let the Drama begin.....
